General Frequently Asked Questions (FAQs)

1. What is Saraswat Bank's 'Bank on WhatsApp'?

Saraswat Bank's services on WhatsApp or Bank on WhatsApp is a newly launched service wherein user would be receiving alert messages through WhatsApp instead of text messages (SMSs). In addition to it, Customer can also chat with the bank through WhatsApp for performing banking services viz. Check balance, mini statements, Mobile Banking Registration, know your Customer Number, register Email-ID etc.

2. Can Customer & non-customers access 'Bank on WhatsApp'?

Yes, customers as well as non-customers may access 'Bank on WhatsApp' services after registration for the same service. Certain services are enabled for bank's registered customers only. However, non-customers may access other informative services on 'Bank on WhatsApp'.

3. What are the features / advantages of 'Bank on WhatsApp'?

Following are the salient features / advantages of 'Bank on WhatsApp'-

- Bank on WhatsApp is a simple, safe and secured.
- Customers can access bank's services through WhatsApp 24x7.
- Unlike traditional text messages wherein messages are in plain text format, WhatsApp provides end-to-end encryption which ensures the messages are secured with unique locks, and only sender and recipient may read the messages.
- Messages in Regional languages i.e. Unicode messages are not supported at WhatsApp messaging platform, which would help our bank to send regional message through WhatsApp.
- Informative / Non-critical / non-transactional messages would be sent to customers at WhatsApp along with pictures, videos, documents, smart-links etc.
- WhatsApp Chat may resolve customer queries instantly on real-time basis which in return may reduce the load at our bank's branches & Customer Care dept.
- Since, WhatsApp messenger is popular among customers, it would boast high engagement rate among our customers.

4. Is it mandatory to register my Mobile number with Saraswat Bank?

To access Bank's services like check balance, last 5 transactions, mobile banking registration, know your customer number, register Email-ID etc on WhatsApp, it is mandatory to register mobile number with Saraswat Bank. Also, it is imperative that customer's mobile number registered with Bank as well as at WhatsApp must be unique.
